

USS UTAH CHRISTENING

General Dynamics Electric Boat Shipyard, Groton, Connecticut

Thursday, October 23, 2025

- ◆ **5:00pm - Outer Lights Brewery.** All ticket holders. Enjoy complimentary food, and a special beer crafted exclusively for the *USS Utah*. Alcohol will be available for purchase. Uber rides will be available for those needing a ride home. Sponsored by the *USS Utah* Commissioning Committee (UCC).

Friday, October 24, 2025

- ◆ **12:00 pm - SubVet luncheon.** Crew and committee members are invited to enjoy lunch at the SubVet Hall. Lunch is provided, alcohol will be available for purchase. Shuttle bus transportation from the Mystic Marriott to SubVet Hall at 11:30 am. Pick up for the crew at the *USS Utah* will be at 11:50 am. Return immediately following the event. Sponsored by UCC.
- ◆ **4:00 pm - Pre-Christening Reception.** All ticket holders. Welcome reception at Groton Long Point Association. A selection of heavy Hors d'oeuvres and specialty soda drinks from Swig will be provided, alcohol available for purchase. Shuttle bus will run between the Mystic Marriott and the Clark Hall between 3:45 pm - 8:30 pm. Sponsored by UCC.
- ◆ **6:30 pm - Sponsor Dinner:** Closed event. Located at the Mystic Marriott. By invitation only. Sponsored by Electric Boat (EB).

Scheduled Events

These special events are taking place in a highly secure area, and we're excited you're joining us! For everyone's safety, access is limited to the activities you've already been cleared for. Your **ticket color** makes it easy to see which events you're scheduled to attend. Thank you for your understanding and for helping us keep everything running smoothly.

Security

The Boat has been constructed in an active work area where tools and equipment are present. For your comfort and safety, we kindly ask that anyone scheduled to go beyond the Christening platform wear **closed-toe shoes** and a **long-sleeved shirt or jacket**. Thank you for helping us keep the experience safe and enjoyable for everyone!

Transportation

Shuttle buses will be available at several events. We encourage you to take advantage of them to help reduce traffic and parking congestion.

Photography Guidelines

The shipyard is home to sensitive equipment, operations, and programs. To protect security, photos may only be taken within the Christening area itself. Please refrain from taking pictures outside of this space.

For everyone's awareness, security will be monitoring for unauthorized photography. If photos are taken outside the approved area, phones may need to be collected and checked, and returning them could take a week or more.
